CORE COMPETENCIES

At A & A Cargo Logistics Inc., we specialize in providing comprehensive logistics and freight forwarding services with a particular focus on heavy machinery and project cargo logistics. Our expertise spans international ocean freight, inland transportation, and customs brokerage, ensuring compliance and seamless operations for government and commercial clients. We pride ourselves on our ability to offer end-to-end solutions tailored to meet the most demanding logistics challenges.

- Specialized Heavy Machinery & Project Cargo Logistics
- Global Freight Forwarding Services
- Customs Compliance
- Emergency Response & Disaster Recovery Logistics
- Intermodal Transportation Solutions
- Government Compliance & Regulatory Expertise
- End-to-End Logistics Management
- Defense & Government Contracting Expertise

PAST PERFORMANCE

- **Military & Defense Logistics (via Partner Agents):** Provided logistics support for partner agents working on military and defense projects, including the transport of oversized project cargo and sensitive equipment. Ensured secure, on-time delivery while maintaining full compliance with government regulations.
- **Construction & Energy Sector:** Managed logistics for heavy machinery and industrial equipment shipments for major construction and energy projects. Delivered end-to-end transport solutions, handling time-sensitive and complex cargo with a focus on secure transportation and compliance with industry standards.
- **Commercial Project Cargo:** Delivered comprehensive logistics solutions for private sector clients, specializing in the movement of heavy equipment and machinery. Ensured precise execution of project cargo shipments, from planning to final delivery, with an emphasis on security, compliance, and timely delivery.

DIFFERENTIATORS

- Proven Government Logistics
- Fast Deployment & 24/7 Readiness
- Government Compliance Experts
- Custom-Built Freight Solutions
- High Security & Confidentiality
- Scalability for Large Projects
- Specialized Equipment
- Proactive Tracking & Reporting
- Unmatched Customer Service
